Dear Guest,

Thank you for choosing to stay at the Draft Horse Inn. Whether you're here on business, pleasure, or a special occasion, we want you to feel welcome and comfortable. We'd like you to go home saying nice things about our hotel and the community of Arcadia.

Arcadia is an interesting place to visit. There's much to see and do in the area. There are wonderful restaurants in Arcadia and in nearby communities. Arcadia's Memorial Park is a must see when you're in town and the Klink Deer Park is another fun stop. Both are free and open to the public. The Trempealeau River, running through Arcadia, offers good fishing and canoeing. State snowmobile trails run directly behind our hotel. Arcadia's Country Club includes a nine-hole golf course available to the public. The scenic Skyline Drive is just minutes from the hotel.

Take a moment to acquaint yourself with the information about the hotel contained in this directory as well as the other points of interest to help you enjoy your stay in Arcadia. If we can make your stay more comfortable please feel free to make comments and suggestions.

Thanks again for being our guest!

Ben, Suzanne, Kalani, Kanye & Staff

WELCOME TO THE DRAFT HORSE INN

The Draft Horse Inn was built in 1996. The name and the décor come from the previous owners' love of Draft horses. Many of the items decorating the hotel came from Ron and Connie's personal collection of items acquired over the years. The trophy cases highlight some accomplishments from their horse-pulling passion.

A variety of guestrooms are available, including handicap accessible rooms. Our single business rooms have one queen size bed, a refrigerator, a recliner and desk. Another option is our whirlpool suites; one with a queen size bed, loveseat, refrigerator and a double Jacuzzi bath, the other has two queen beds and a single whirlpool bath. You may choose the roomier apartment suite, which includes a queen bed, full sofa bed, and kitchenette with microwave, fridge, toaster & coffeepot. If you are looking for a full kitchen, ask about our spacious village suites.

Guests can enjoy a free Continental breakfast offered each morning in the breakfast room.

The breakfast room seats up to 20 people and can be reserved for meetings between 10:00am & 9:00pm. The microwave in the lobby is available for your use anytime. We have a fax/copy machine at the Front Desk. We have two designated pet friendly rooms.
